

CONSTELLATION

Pedro Henrique Feitosa¹

The community is a constellation
The constellation is a community
They are group of visible stars forms

Probably it's from another planet
Or it's from the celestial sphere
Some, seems to be “ *An Emu in the sky*”

What is this? Is from Brazil? The bad things happen there.
It's Literary Guard Between The Queer In A Population and +
It could only be from another planet.

She is a woman, or she is supposing to be, but try to be a man
Trying to act like a man, getting involved with women like a man
With a lot of doubts, even though, as she wrote “I am a lesbian”

And...

He is a man, or he should be.
It's difficult to know, when is assumed as gay
When write about sex, death and loneliness
But, in him 47 years of youth, die of aids.

In between, has a B, but does a B existent here?

Although, still has “He” “She” “They”, who knows?
They say it's a man who dresses like a woman
That do rap like a rapper

But define as *Bixart*, as a poet and singer,
that shows with literature what is to be
a black non-binary trans in Brazil

Quick Queer question....

If I introduce importance in intersex identification?

Actually, above all, again an approach.

Perhaps, *Pose*!
